Dear Tom, Davis, Arizents, Aptos, Ca 12/14/78

Remarkable coincidence that after years of silence I've heard from Crhistian. He is using Vincent ~~Bug~~ Bugliosi's law office as an address. It is 9171 Wilshire Avenue, Suite 332, Beverly Hills 90210. (272-8531, 274- 8878.) Good luck! The price you are asking is the lowest I've heard in years and the other books of which I've heard are used, second-hand.

I think that not too long ago we heard of someone else who was offering Oswald in New Orleans. If so my wife will include that.

There was a Bay area whoelsaler who had copies. Probably returned covers. The owner's name, as I recall, was Lou Swift. Heard he'd died and don't know about the business or its name. Verb and Christian handled that, too.

There are two others making the offering. One is called Research. It is at Aptos, Ca. If we were told the name of the other we've forgotten it.

Best wishes,
